Weekly Newsletter
Academic Year 24/25
Term 3
10th January 2024

Bukit Timah

Message from the Principal

Dear Parents/Guardians,

Happy New Year and welcome back.

It has been an incredibly busy start to the 3rd Term with every year group and subject area getting off to a great start. Two subjects that I would like to mention specifically are firstly Science, where I have seen evidence of kidney dissections, anatomical drawings, chemical experiments involving reflection, refraction, and light ray boxes, the manufacture of pinhole cameras and DNA models involving the mass of carbon dioxide using carbonated drinks and candy. Secondly, in Music, our students are working on several festive pieces of music, whilst preparing for the Chinese New Year celebrations which involves some routines that will be performed in public in the coming weeks.

Please note that our Term 3 ECA programme, coordinated through Penn Junior Academy, will begin in February and that the registration platform is scheduled to open at 7:00 PM today. Please also note that the registration deadline is Wednesday 22nd January at midnight at which point the platform will close. Please use the following link to view the ECAs on offer: https://enrolmy.com/penn-junior-academy#/venue_id/64ab79b4-3344-44cc-bc2a-28350a4d82d2 Please be careful to filter by campus for Bukit Timah. There are further details on later pages of this newsletter.

Wishing you all a well-deserved weekend break.

Best wishes, Craig

Physical Education

Swimming Lessons (Year 1,2,3,7,8 & 9)

Swimming lessons will commence on the 3rd of February, following the Chinese New Year break, and will run until the 21st of March, spanning 7 weeks. Currently, the students are participating in offsite PE lessons for approximately 3 to 3.5 weeks while we wait for swimming lessons to commence.

Offsite PE Lessons (Year 4,5 & 6)

Students in Years 4, 5, and 6 will not be participating in swimming lessons this term. Instead, they will continue to with their PE lessons offsite at the field.

Additional Notes

With the weather heating up, keeping our students hydrated during PE lessons is a top priority. Water bottles would be mandatory for all PE lessons. For those with regular field activities, a thermal water bottle is highly recommended to ensure they stay cool and refreshed throughout their sessions.

Invictus Virtual STEAM Fair (Centrium Square)

We are excited to announce that Invictus International School, Centrium Square Campus will be hosting our inaugural Virtual STEAM Fair this year! This event will provide an excellent opportunity for our students to explore, create, and showcase their talents in the STEAM areas (Science, Technology, Engineering, Art and Mathematics).

The Virtual STEAM Fair will take place in May 2025, and we would like to invite all students to participate in this exciting event. The theme this year is Play! To Infinity and Beyond! The fair will not only give students a platform to demonstrate their innovative projects and ideas but also encourage them to think critically and creatively in these key fields, while pondering over their role in sustainability and responsible toy ownership.

How Can Students Participate?

This event is open to all students from Year 1 - Year 9 of Invictus International School Singapore and Malaysia. Registration opens from 2nd December 2024 - 31st January 2025.

All projects will be submitted digitally, and students will have the chance to present their work to their peers, teachers, and the Invictus community in an online event format. This is an exciting opportunity for students to share their passions, receive feedback, and inspire others.

Invictus Virtual STEAM Fair (Centrium Square)

How to Get Involved?

Please encourage your child to start thinking about their project idea and register for the fair by 31st January 2025.

Play Beyond – Empowering Play, Sustaining Tomorrow

We are proud to announce a partnership with Play Beyond, providing a platform for children and families to contribute to a sustainable future with an option to donate or sell toys they have outgrown.

In January, Play Beyond will join us in our school to share more details with the children regarding their purpose in setting up Play Beyond and we will have a toy collection drive in our school.

For now, please visit their website as there is an option to donate used toys to Red Cross or sell them as well. On their website, there is a list of toys for sale, which might catch your child's eyes. What a better way to declutter outgrown toys especially with Christmas round the corner. Road Safety

The school is situated on a quiet one-way road, but it's important that children are aware of our expectations regarding safe departure and arrival. To this end, pupils will receive their annual reminder regarding road safety next week from their tutors. The school has previously contacted the local authority regarding traffic calming options, but has been unsuccessful. We encourage parents to appeal should they wish to see signage or similar installed.

Parents are similarly encouraged to ensure pupils cross safely from the dismissal ramp, and walk only along the pavements. Younger children seeing safe use of roads is important for building their independence.
