Message from the Principal

Dear Parents/Guardians,

Term 3 finished on high with a very busy week of events including the Key Stage 1 Zoo Trip, Key Stage 2 sharing their learning in Music, PSHE and Global Perspectives, Year 3 reminding us of the importance of small gestures and the impact of random acts of kindness through a showcase assembly, Year 4 delivering a powerful presentation on the legendary Beowulf defeat of Grendel and Grendel's mother in Anglo-Saxon times, Year 5 raising awareness of worldwide agricultural activities affecting food waste and the 7M tons of food wasted annually, and finally this morning's HIIT workout which I attended serving as a painful reminder that I'm not as flexible as I used to be!

Please make a note of the following dates for the beginning of Term 4:

Dates to note:

- Examinations for Year 6 between the 15th and 17th of April and for Year 9 on the 21st, 23rd and 25th of April
- Opportunity for our Year 4 - Year 9 to see the musical 'Wicked' on Saturday, 26th of April.

We all look forward to welcoming your children back to school on Monday, the 7th of April, and to the beginning of Term 4.

I wish you all a very happy, safe, and restful break.

Term 4 Curriculum Letters

Curriculum Letters outlining next term's subject content are available [here](#) for your perusal.

Subject Content

You may access the weekly subject content [here](#) to see what your child has learned this week and will be learning next week.

Keeping In Touch with Your Child's Learning

The school strives to keep parents informed about their child's learning whilst balancing our teacher's priorities. A reminder that tutors and subject-teachers are always available, and aim to respond to parent emails within 48-hours, however the following are two ways you can immediately keep up-to-date with your child's learning.

Core Values

Invictus Values

C

Commitment

In taking ownership of our responsibilities and duties

A

Aspiration

In achieving our best

R

Resilience

In persevering through our challenges and setbacks

E

Empathy

In understanding, respecting, and showing concern for others

Pastoral

Heart pumping, sweat trickling down our foreheads and eyes staring at the countdown on the screen. We completed our morning HIIT workout, without missing a beat!

Thank you to all parents who joined us for our morning exercise and tea this morning. Our youngest participant, Kohei at just 14 months, was cheering us from the back of the room with his laughter and gurgles. A great start to our Friday.

KSI Zoo Excursion

Our exciting trip to the Singapore Zoo was filled with laughter and curious questions! Students explored the rainforest layers, met fascinating animals like a python, tiger, and hornbill, and even touched their skin and feathers. It was a hands-on experience!

KSI Zoo Excursion

We also discovered what makes zebras unique, how rhinoceroses recognize their mates, and how to identify different giraffes. Of course, we couldn't miss meeting the mighty lion, the King of the Savannah! Our visit was made even more special by the zookeepers, who shared fascinating stories firsthand—and we eagerly kept them on their toes with all our questions!

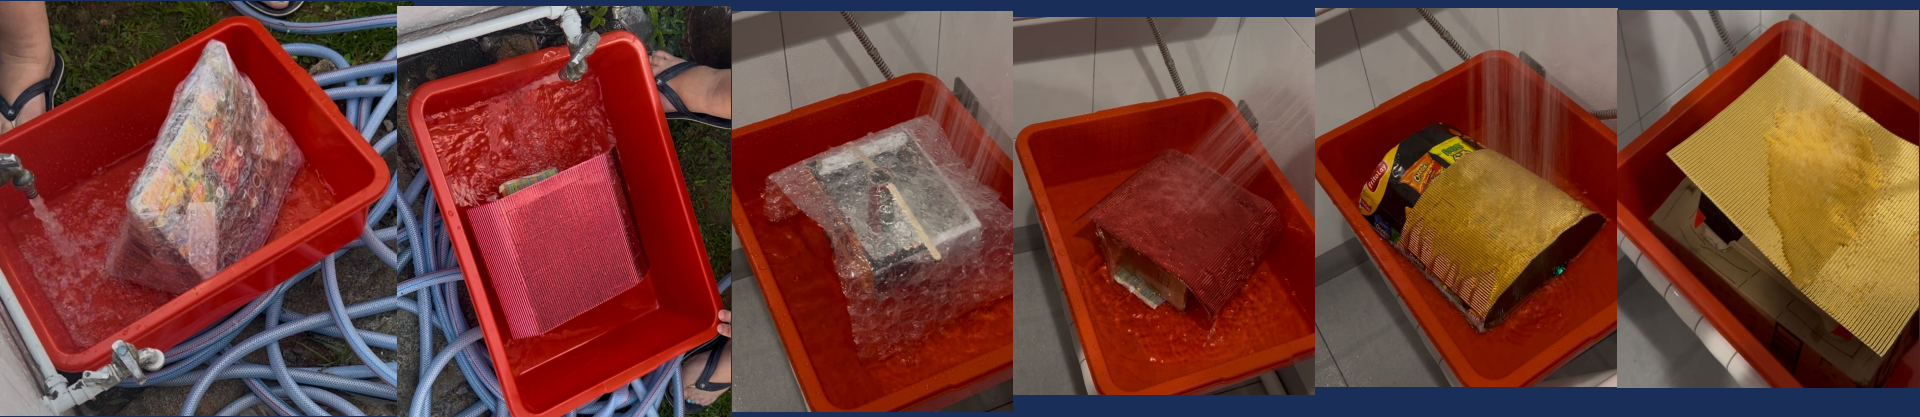

STEAM Week Updates

Thank you so much to all the families who participated in our bake off and poster competitions and had lovely STEAM week conversations at dinner! Our week was jam packed with fun and learning! This week we have done some follow up work on our projects. In Chinese, Year 4 and 8 finished their fantastic projects, and the school and recycling bins are on display in the Chinese classroom!

STEAM Week Updates

Y8 also tested their flood proof houses during science lessons. We flooded them in a big tub outside on the school ramp and then 'showered' them with rain in our shower facilities in school! They all withstood the tests very well and our main feedback was about making them workable homes and anchoring them so they didn't float away if they were made in real life!

STEAM Week Updates

The KS3 students recently had an excursion to see the world renowned graffiti artist Banksy's art exhibition. It was colourful, humorous and engaging for all of them. The students were able to see the span of Banksy's work from the 1990s till now and completed a quiz to explore his influences, history and perspectives on social commentary.

STEAM Week Updates

To prepare for our Banksy visit, the Year 8 students brought their own created graffiti from school! They celebrated their work in Orchard Mall by conducting a pop-up-graffiti exhibition! As you can see, the Year 8 students' art is bright, stylized, unique and inspired by Banksy.

ART

The Year 8 students have created sketches of buildings in the Beauty World area. These were drawn on textured paper and mixed media to create a wall for their final graffiti design to be shown upon. We explored the legalities of graffiti art, their origins and the techniques used to create the artform.

ART

As you can see, the finished effect is amazing! We all took pride in the forms, pseudonyms and techniques we developed to enter the world of graffiti and the range of expression it allowed our pupils to experience! Well done to the whole of Year 8 for their sustained effort of excellence throughout the term!

KS2 Assembly

As the term ends, we end our day with music, dance, and drama. Students showcased what they have learned in Music, Topics, PSHE, and Global Perspectives. Year 3 spread kindness by reminding others to do small things.

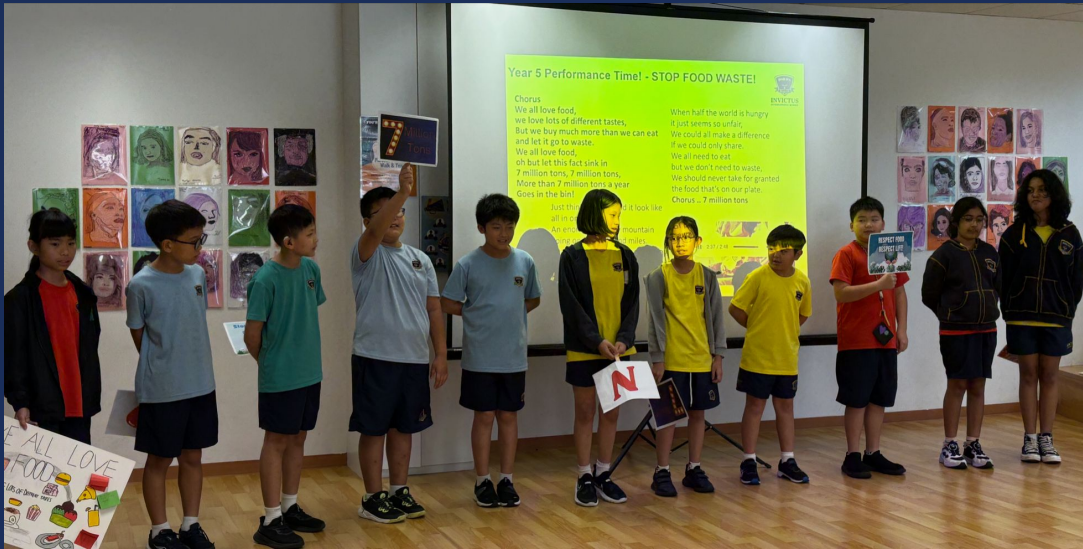

KS2 Assembly

Year 4 showed how the legendary Beowulf, in Anglo-Saxon times, defeated Grendel and Grendel's mother.

KS2 Assembly

In this term, Year 5 explored various agricultural activities worldwide and examined the pressing issue of food waste, while honing their core skills in General Paper (GP). They actively raised awareness about reducing food waste, highlighting the staggering fact that 7 million tons of food are wasted annually.

Student-Parent Handbook

Dear Parents,

The Student-Parent Handbook is an invaluable resource, providing essential details on school policies, core values, student expectations, communication procedures, and much more.

By staying informed, we can all work together to create the best possible learning environment for your child! Download the handbook today using the link below and be prepared for a great academic year ahead!

Physical Education

Swimming Lessons (Year 1,2,3,7,8 & 9)

Swimming lessons will commence on the 3rd of February, following the Chinese New Year break, and will run until the 21st of March, spanning 7 weeks. Currently, the students are participating in offsite PE lessons for approximately 3 to 3.5 weeks while we wait for swimming lessons to commence.

Offsite PE Lessons (Year 4,5 & 6)

Students in Years 4, 5, and 6 will not be participating in swimming lessons this term. Instead, they will continue to with their PE lessons offsite at the field.

Additional Notes

With the weather heating up, keeping our students hydrated during PE lessons is a top priority. Water bottles would be mandatory for all PE lessons. For those with regular field activities, a thermal water bottle is highly recommended to ensure they stay cool and refreshed throughout their sessions.

Music

Instrumental Music Programme (IMP)

Did you know that our students can learn a musical instrument right here on campus on our in-house Instrumental Music Programme (IMP for short!). Our partnering music education company, McKee Music Pte Ltd, offers weekly lessons on piano, singing, guitar/ukulele, violin, drums, and more. Their teaching team are some of the finest musicians & educators in Singapore, so we encourage you to take advantage of this fantastic opportunity to learn from the best!

One-to-one instrumental music lessons are 30 minutes per week and fees are \$55 per lesson, billed termly. If you have any questions you can also email our IMP coordinator, Duncan McKee, directly at duncan@mckeemusic.com.sg and he will be happy to help answer any of your questions.

Climate Fresk

We are excited to announce a new partnership between Invictus International School and Climate Fresk, an organisation dedicated to accelerating global understanding of global climate issues to prompt necessary changes for the preservation of life.

Enhance Climate Literacy:

Equip students with a clear and thorough understanding of climate change and its global impact.

Foster Critical Thinking:

Encourage students to analyse and discuss complex environmental issues collaboratively.

Inspire Action:

Empower students to take meaningful steps towards sustainability within their communities and beyond.

Science-Based & Engaging

Uses IPCC reports to break down climate science in an interactive, collaborative format.

Play Beyond – Empowering Play, Sustaining Tomorrow

We are proud to announce a partnership with Play Beyond, providing a platform for children and families to contribute to a sustainable future with an option to donate or sell toys they have outgrown.

In January, Play Beyond will join us in our school to share more details with the children regarding their purpose in setting up Play Beyond and we will have a toy collection drive in our school.

For now, please visit their website as there is an option to donate used toys to Red Cross or sell them as well. On their website, there is a list of toys for sale, which might catch your child's eyes. What a better way to declutter outgrown toys especially with Christmas round the corner. Road Safety

The school is situated on a quiet one-way road, but it's important that children are aware of our expectations regarding safe departure and arrival. To this end, pupils will receive their annual reminder regarding road safety next week from their tutors. The school has previously contacted the local authority regarding traffic calming options, but has been unsuccessful. We encourage parents to appeal should they wish to see signage or similar installed.

Parents are similarly encouraged to ensure pupils cross safely from the dismissal ramp, and walk only along the pavements. Younger children seeing safe use of roads is important for building their independence.

Dear Parents/Guardians,

We hope you and your child have been enjoying your time at Invictus Bukit Timah! Your feedback is invaluable to us and helps other families make the right choice for their child's education.

If you have had a positive experience with us, we would love to hear about it! Please take a moment to leave a Google review and share what you love about our school. Your kind words can make a big difference!
