Message from the Principal

Dear Parents/Guardians,

Week six of the third terms has been incredibly busy and action packed for our students. I managed to visit several English, Mathematics, Science and Music lessons this week, where I found our students fully engaged in lessons which were both thought provoking and full of new experiences. In addition to normal timetabled lessons there were several parent workshops throughout the week across different key stages. In the sessions I visited many of you were taking the opportunity to work directly with our English and Chinese teachers to better understand what your children experience in their learning. These parent sessions are a wonderful way to connect the community and further support learning both in school and at home, and I would like to thank those of you that found the time to attend the sessions.

Please find a copy of the 2025/2026 academic calendar on the next page of the newsletter. I hope you find this useful in planning your summer and family calendars from now until July 2026. Dates to note in coming weeks are the parent conferences which are scheduled between the 10th and the 14th of March. Please find further details later in the newsletter. Please also note the Year 6 and Year 9 mock examinations scheduled between the 11th and 13th of March, as well as the actual examinations for Year 6 between the 15th and 17th of April and for Year 9 on the 21st, 23rd and 25th April, again please find more details later in this newsletter.

We are very excited to announce the planned overseas camps for Years 7 and 8 in Desaru and Year 9 in Ho Chi Minh. Please find further details later in this newsletter and within the slide deck which you will receive via email later today.

Wishing you all a happy and restful weekend.

Pastoral

This week, we ran a series of parent workshops across different Key Stages. Our English and Chinese teachers prepared resources with the aim for parents to support their child's learning at home. We are delighted to hear positive feedback from parents who attended our workshops. Thank you for your continued support.

Pastoral

During our KS3 assembly this week, we shared the exciting news of our upcoming overseas camp in June for our Years 7, 8 and 9.

Both Invictus Bukit Timah and Invictus Centrium will collaborate for our very first overseas camp. Years 7 and 8 will have their camp in Desaru whilst the Year 9 will be heading to Ho Chi Minh City, Vietnam.

Needless to say, our students were bursting with excitement and questions! More information will be shared over the coming weeks with the initial Google Form for parents to register their their interest along with a slide show, which will be emailed to our KS3 parents this afternoon at 4pm, the 14th of February.

Physical Education

Swimming Lessons (Year 1,2,3,7,8 & 9)

Swimming lessons will commence on the 3rd of February, following the Chinese New Year break, and will run until the 21st of March, spanning 7 weeks. Currently, the students are participating in offsite PE lessons for approximately 3 to 3.5 weeks while we wait for swimming lessons to commence.

Offsite PE Lessons (Year 4,5 & 6)

Students in Years 4, 5, and 6 will not be participating in swimming lessons this term. Instead, they will continue to with their PE lessons offsite at the field.

Additional Notes

With the weather heating up, keeping our students hydrated during PE lessons is a top priority. Water bottles would be mandatory for all PE lessons. For those with regular field activities, a thermal water bottle is highly recommended to ensure they stay cool and refreshed throughout their sessions.

KS2 Assembly – Year 3B

Today, our wonderful 3B students took to the stage with a heartwarming Valentine's Day showcase! After weeks of practice and dedication, they performed a beautiful tableau (a series of frozen scenes) bringing the story of Valentine's Day to life.

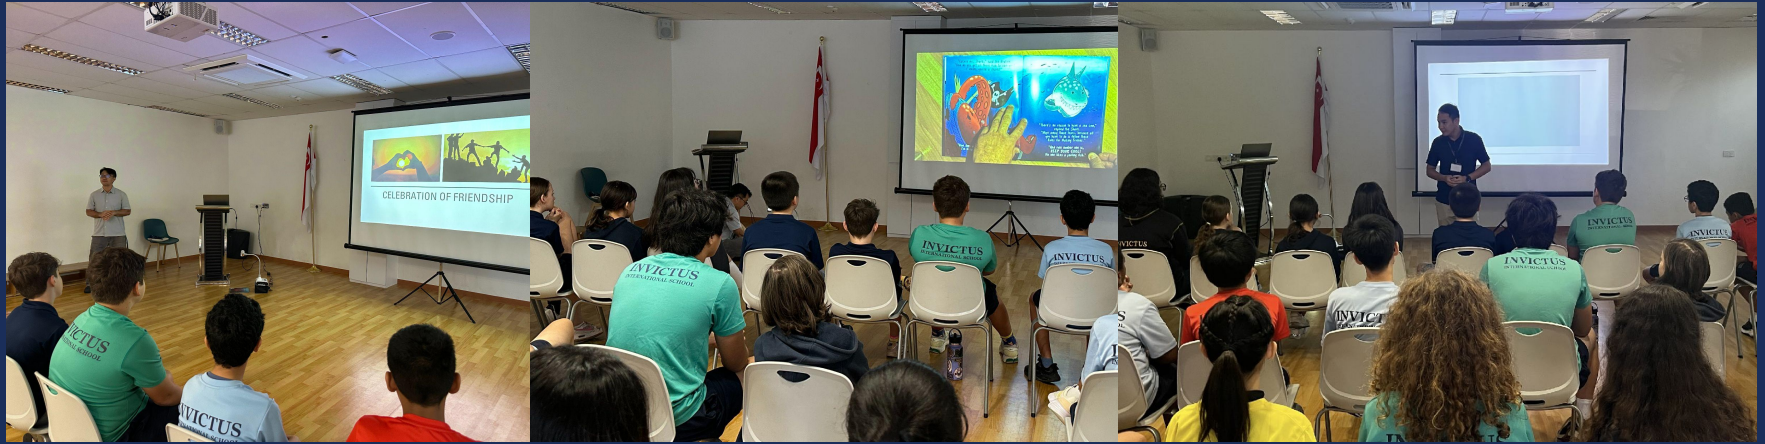

Their message was simple but meaningful: love isn't just about romance; it's found in family, friendship and the kindness we show to others. To end their performance on a high note, they sang to 'What Makes You Beautiful', filling the hall with joy and excitement.

Our audiences got involved by writing heartfelt messages on origami paper, folding them into heart shapes, and sharing them with a friend - a lovely way to spread kindness and appreciation.

It was truly a joy-filled assembly, with smiles all around and beautiful reminder of what this day is about. What a special way to celebrate Valentine's Day!

KS3 Assembly – Celebrating Friendship

This morning's KS3 assembly was led by Mr. Jimmy and Mr. Jun Hien, who focused on the theme of friendship and the true meaning of Valentine's Day. Students learned about how Valentine's Day is not just about romantic love but also about appreciating the friends who support and uplift us. They listened to a story about true friendship and learned about how it can provide emotional support, trust and a sense of belonging. Students took a moment to write short letters of appreciation to their friends, expressing their gratitude and acknowledging the positive impact their friends have on their lives, fostering a spirit of appreciation and connection within the school community. Wishing everyone a blessed and wonderful Valentine's Day!

Play Beyond – Empowering Play, Sustaining Tomorrow

We are proud to announce a partnership with Play Beyond, providing a platform for children and families to contribute to a sustainable future with an option to donate or sell toys they have outgrown.

In January, Play Beyond will join us in our school to share more details with the children regarding their purpose in setting up Play Beyond and we will have a toy collection drive in our school.

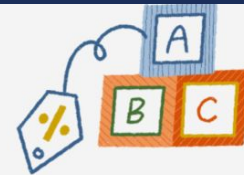

For now, please visit their website as there is an option to donate used toys to Red Cross or sell them as well. On their website, there is a list of toys for sale, which might catch your child's eyes. What a better way to declutter outgrown toys especially with Christmas round the corner. Road Safety

The school is situated on a quiet one-way road, but it's important that children are aware of our expectations regarding safe departure and arrival. To this end, pupils will receive their annual reminder regarding road safety next week from their tutors. The school has previously contacted the local authority regarding traffic calming options, but has been unsuccessful. We encourage parents to appeal should they wish to see signage or similar installed.

Parents are similarly encouraged to ensure pupils cross safely from the dismissal ramp, and walk only along the pavements. Younger children seeing safe use of roads is important for building their independence.

Dear Parents/Guardians,

We hope you and your child have been enjoying your time at Invictus Bukit Timah! Your feedback is invaluable to us and helps other families make the right choice for their child's education.

If you have had a positive experience with us, we would love to hear about it! Please take a moment to leave a Google review and share what you love about our school. Your kind words can make a big difference!
