Message from the Principal

Dear Parents/Guardians,

Our students have enjoyed another busy week packed with educational opportunities during which I visited a range of KS1 and KS2 lessons to find our younger students fully engaged in several hands-on learning activities designed to capture their imagination. A new addition to our communications, and a first for Invictus Bukit Timah, is our student newsletter. To access the student newsletter please follow the link later in this newsletter. Another first this week was our ranking in the Singapore 'Times Tables Rock Stars Competition' in which we were ranked the 3rd highest primary school in Singapore. This remarkable national achievement is a testament to our students' dedication and hard work, for which we are very proud. Please look out for news of our preparations for International Women's Day event scheduled for the 7th of March. For further information regarding International Women's Day please look for the slide later in the newsletter.

One again please find a copy of the 2025/2026 academic calendar on the next page of the newsletter. I hope you find this useful in planning your summer and family calendars from now until July 2026. Dates to note in the coming weeks are the parent conferences, which are scheduled between the 10th and the 14th of March. Please find further details later in the newsletter. Please also note the Year 6 and Year 9 mock examinations scheduled between the 11th and 13th of March, as well as the actual examinations for Year 6 between the 15th and 17th of April and for Year 9 on the 21st, 23rd and 25th of April, again please find more details later in this newsletter. Finally, please see details of the opportunity for our Year 4 - Year 9 to see the musical 'Wicked' on Saturday 26 April.

Wishing you all a happy and restful weekend.

Parent Teacher Conferences

Dear Parents and Guardians,

My sincere apologies for the inconvenience caused with the recent Parent Teacher Conference bookings. I understand that many of you experienced difficulties in trying to book with certain teachers. If you are still experiencing issues, please reach out to me at angela.lu@invictus.edu.sg so that I can help you rectify the issue. We don't want you to miss out on meeting with all of your child's teachers to receive feedback and updates on their academic journey in the respective subjects.

Keeping In Touch with Your Child's Learning

The school strives to keep parents informed about their child's learning whilst balancing our teacher's priorities. A reminder that tutors and subject-teachers are always available, and aim to respond to parent emails within 48-hours, however the following are two ways you can immediately keep up-to-date with your child's learning.

SINGAPORE ROCKS TOURNAMENT

Times Tables Rock Stars ([TT-Rockstars](#)) is an interactive online mathematics program designed to help students practice their times tables both in school and at home.

This year, our school proudly participated in the Singapore Rocks tournament, where students engaged in various games focused on multiplication and division. The goal of this competition was to enhance students' recall speed, boost their confidence, and reduce math anxiety. The classroom was filled with energy and excitement as students worked diligently to earn points.

We are thrilled to announce that our school has achieved the distinction of being one of the Top Three Highest-Scoring Primary Schools in Singapore. This remarkable achievement is a testament to our students' dedication and hard work, which continues to be truly exceptional.

International Women's Day

To celebrate International Women's Day, our Student Council members have organised an event in school, together with Miss Dani. This event recognises the accomplishments of women across different career paths. Women from different enterprises from across Singapore have been invited to run a series of workshops where our Year 6 to Year 9 students will learn more about their jobs and try different activities related to their jobs. Our volunteers include women from industries such as entrepreneurship, a medicine, the arts and a psychology.

Our Student Council members have also invited our Friends of Invictus to join us in our International Women's Day event on the 7th of March.

Student-Parent Handbook

Dear Parents,

The Student-Parent Handbook is an invaluable resource, providing essential details on school policies, core values, student expectations, communication procedures, and much more.

By staying informed, we can all work together to create the best possible learning environment for your child! Download the handbook today using the link below and be prepared for a great academic year ahead!

Please note: Purchases can only be made in cash.

Uniform Reminders

Uniform – All students should be wearing their Invictus uniform

Black shoes (Not Vans/Trainers etc)

Grey Invictus Skort/shorts

Blue Invictus Polo

White socks

PE days & Fridays – House colour t-shirt, Invictus PE shorts and trainers are allowed.

Every day- Invictus cap or bucket style hat for outdoor play.

Please note that as per school tradition, students are invited to wear their house shirts on a Friday regardless of curriculum activity as we are encouraging Fridays as a day for house competitions in the near future.

School Uniform

PE Uniform

Please note a slight change to our uniform rules: Full PE uniform can now be worn on Fridays and not just the House top with school uniform as in the past.

We are aware that some students prefer a cotton based shirt.

Please note that Lim's are in agreeance to accomodating this by manufacturing a cotton version in the same style .

They require a minimum order of 5 but can make for example

3 in one size and 2 in a larger size.

Please process directly with Lim's;

KS1 Art

As we near International Women's Day on the 8th of March, the Year One students learned about the colour purple and how it often represents unity, diversity and inclusion. They learned about fairness and equality through history and the annual Purple Parade in Singapore. In conjunction with our Art unit on Vincent Van Gogh and nature, the students painted pictures of purple irises. They mixed blue and red to achieve their desired shade of purple, adding white to create a lighter shade and black for a darker tone.

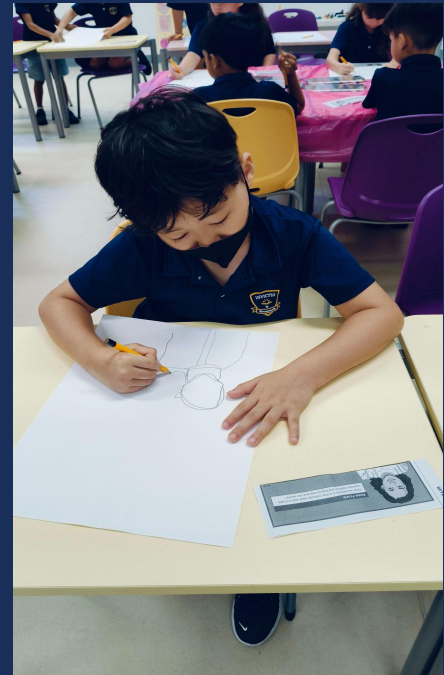

KS1 Art

The Year 1 students are becoming increasingly confident in drawing still life. In this activity, students showed their personal interpretation of a purple iris while demonstrating our school values of excellence and resilience in their growth as artists.

KS1 Art

In Year Two, we learned about influential women, past and present, who through courageous acts, changed history and made the world a fairer place for all. With pictures as guides, students drew portraits of some of these women, and used purple as the central colour and feature to draw out the theme of their art work. We also talked about the concepts of equality, fairness and inclusion and they were challenged to think about how they could play a part in changing the world for a better future.

KS1 Art

Emmeline Pankhurst-British political activist who helped women win the right to vote in 1918.

Anne Frank-German Jewish girl who kept a diary of her experiences while hiding from the Nazis for two years.

Greta Thunberg-Swedish Activist who campaigned for climate change.

Emmeline Pankhurst-British political activist who helped women win the right to vote in UK in 1918.

Anne Frank-German Jewish girl who kept a diary of her experiences while hiding from the Nazis for two years.

Rosa Parks-African American civil rights activist, who refused to give up her bus seat to a white man.

Learning
IS
FUN!

Delight in
our math activities!
Unlock your
full potential !

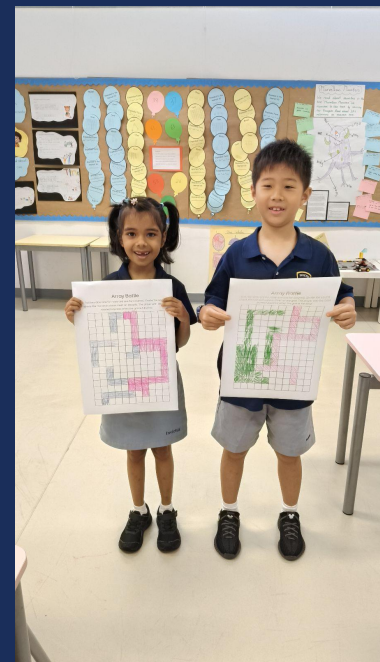

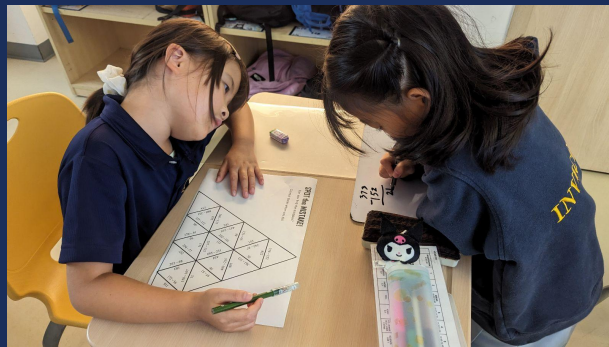

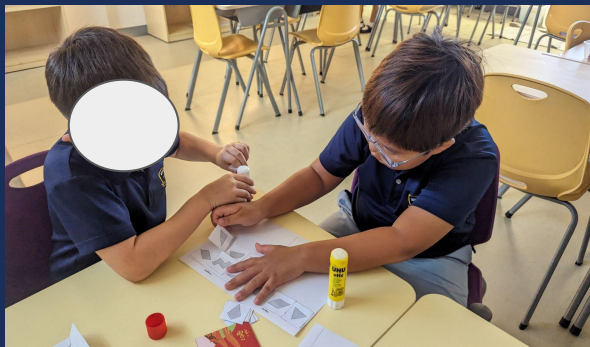

Maths Week in school was an exciting and engaging event filled with interactive activities designed to enhance students' problem-solving skills. Each morning during form time, pupils worked in pairs to complete time-bounded challenges using counters, dice, whiteboards and glue sticks. Friendly competition and time limits added excitement, motivating pupils to think quickly and accurately.

Maths Week fostered collaboration, critical thinking, and a fun approach to learning mathematical concepts.

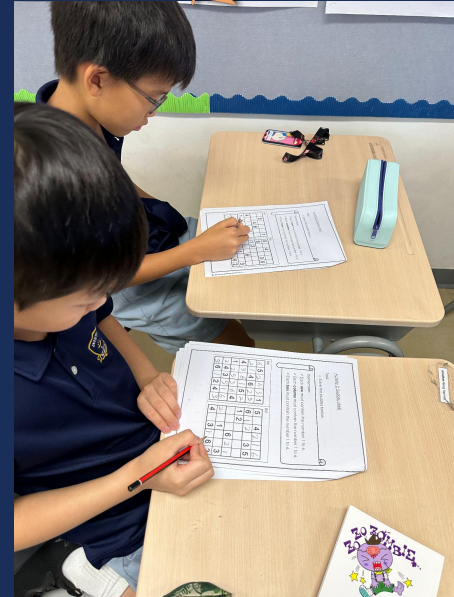

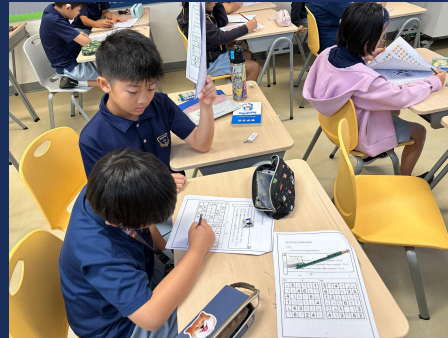

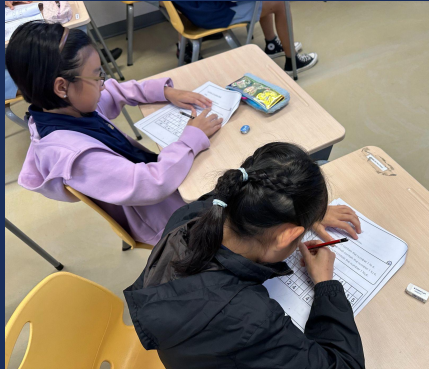

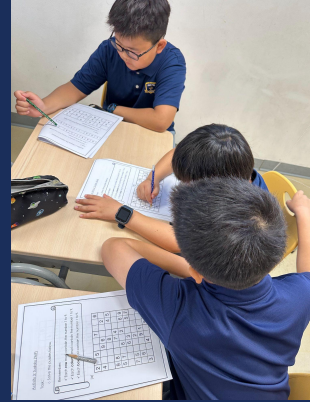

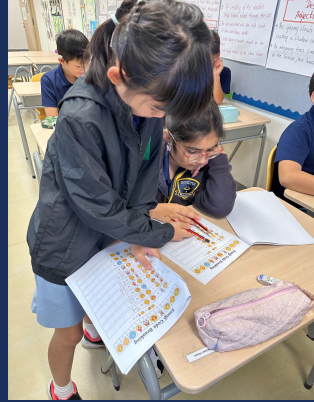

MATHS WEEK – KS1 & 2

MATHS WEEK – KS1 & 2

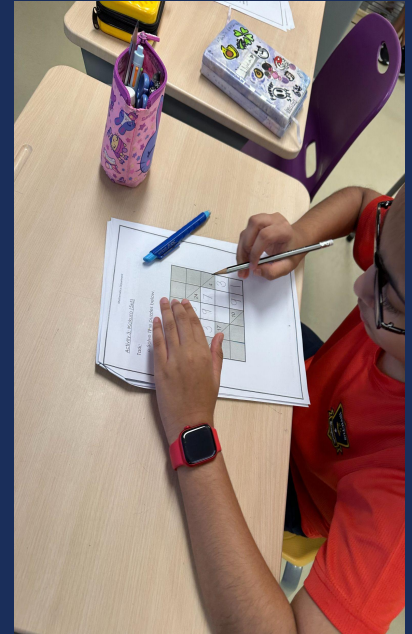

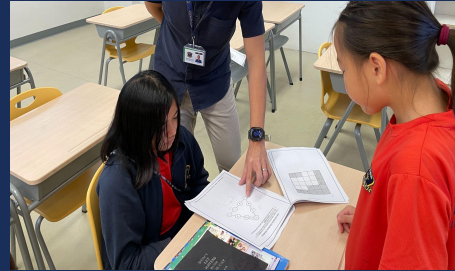

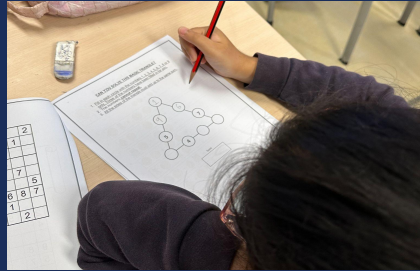

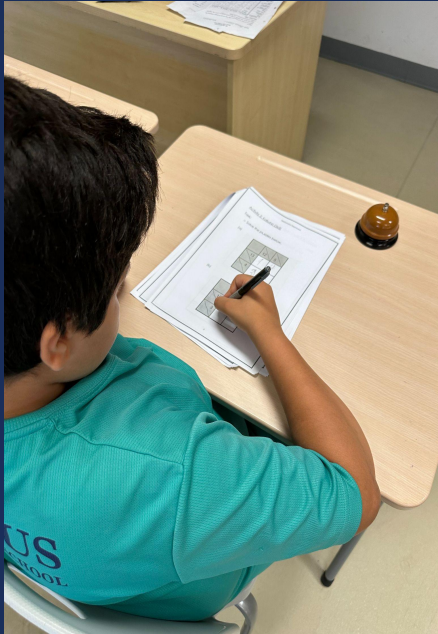

Our Year 5 students sharpened their logical thinking skills with Sudoku, tackled the Magic Triangle challenge and cracked secret messages in an Emoji Code-Breaking game, fostering problem solving skills in a fun and engaging way.

MATHS WEEK – KS1 & 2

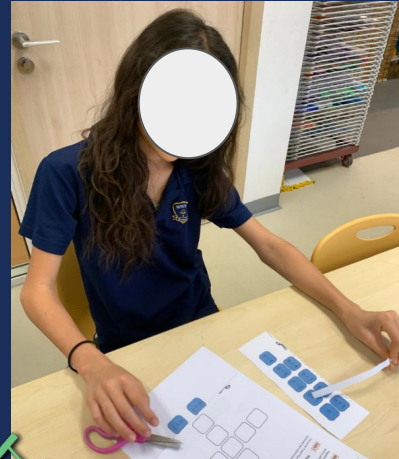

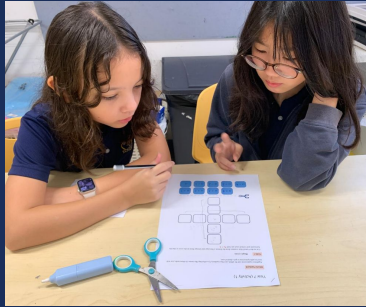

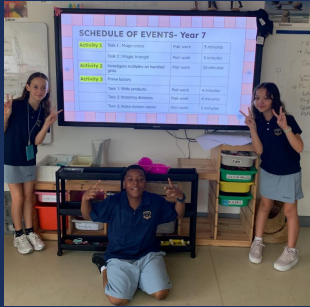

Our Year 6 students took on learning Kakuro, a number logic puzzle often referred to as a mathematical crossword puzzle. They also solved the Magic Triangle and battled it out in a Times Table Battleship game, reinforcing their arithmetic skills through strategic play.

MATHS WEEK-KS3

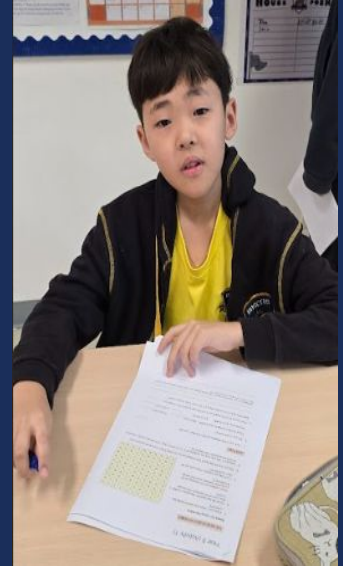

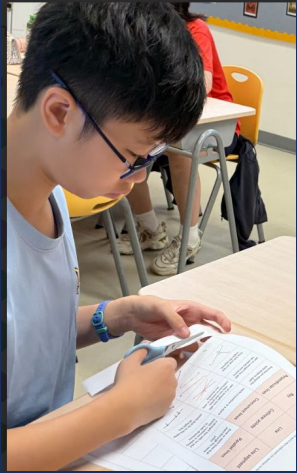

Year 7 students tackled three activities. **Activity 1: Magic Puzzles** involved solving algebraic expressions by arranging counters to achieve specific sums, such as arranging a magic cross (totalling $5a + 2$) and a magic triangle (each side summing to $3a + 6$). **Activity 2: Investigate Multiples on Hundred Grids** required students to colour multiples of chosen numbers on 100-square grids and analyse the resulting patterns. **Activity 3: Prime Factors** included writing numbers as products of prime factors and completing matching division tasks, with calculators permitted for assistance. These tasks reinforced algebraic manipulation, pattern recognition, and prime factorisation skills.

MATHS WEEK-KS3

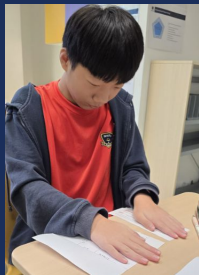

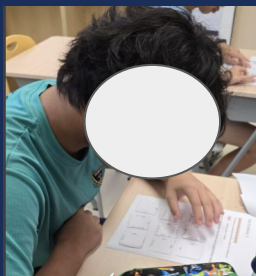

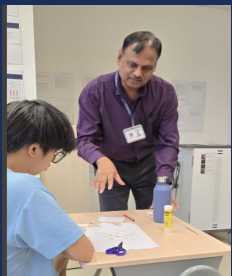

In **Math Week**, Year 8 students completed three activities. **Activity 1: The Sieve of Eratosthenes** introduced a method for identifying prime numbers. **Activity 2: Matching Terms with Their Meanings** involved cutting out and pairing terms, definitions, and diagrams under appropriate headings. **Activity 3: Naming Angles** provided practice in identifying and naming angles in various contexts, such as within triangles and at intersecting lines. These tasks aimed to enhance understanding of prime numbers, mathematical terminology, and geometric concepts, fostering both theoretical knowledge and practical application.

MATHS WEEK-KS3

Year 9 students engaged in two activities. **Activity 1: Multiplication and Division Square-saws** tested algebra skills through puzzles. Task 1 involved rearranging nine squares into a 3-by-3 grid so that touching sides matched equivalent expressions with one variable, while Task 2 extended this to expressions with two or more variables. **Activity 2: Rounding Numbers** included three tasks: rounding to whole numbers before calculating, rounding to one decimal place before calculating, and rounding after calculating. These tasks aimed to strengthen algebraic manipulation and numerical approximation skills, combining problem-solving with practical application.

Physical Education

Swimming Lessons (Year 1,2,3,7,8 & 9)

Swimming lessons will commence on the 3rd of February, following the Chinese New Year break, and will run until the 21st of March, spanning 7 weeks. Currently, the students are participating in offsite PE lessons for approximately 3 to 3.5 weeks while we wait for swimming lessons to commence.

Offsite PE Lessons (Year 4,5 & 6)

Students in Years 4, 5, and 6 will not be participating in swimming lessons this term. Instead, they will continue to with their PE lessons offsite at the field.

Additional Notes

With the weather heating up, keeping our students hydrated during PE lessons is a top priority. Water bottles would be mandatory for all PE lessons. For those with regular field activities, a thermal water bottle is highly recommended to ensure they stay cool and refreshed throughout their sessions.

Instrumental Music Programme (IMP)

Did you know that our students can learn a musical instrument right here on campus on our in-house Instrumental Music Programme (IMP for short!). Our partnering music education company, McKee Music Pte Ltd, offers weekly lessons on piano, singing, guitar/ukulele, violin, drums, and more. Their teaching team are some of the finest musicians & educators in Singapore, so we encourage you to take advantage of this fantastic opportunity to learn from the best!

One-to-one instrumental music lessons are 30 minutes per week and fees are \$55 per lesson, billed termly. If you have any questions you can also email our IMP coordinator, Duncan McKee, directly at duncan@mckeemusic.com.sg and he will be happy to help answer any of your questions.

Parents' Feedback Form

At Invictus, we are committed to fostering open communication with our school community. To make it easier for parents and guardians to share their thoughts, we have implemented a standardized feedback form across all campuses.

Please use this form to submit compliments, informal complaints or general suggestions

Once your feedback is received, it will be directed to the appropriate staff member for prompt follow-up. We appreciate your insights and look forward to hearing from you!

Grace.4.Families Therapeutic Services

Play therapy is a powerful tool that helps children express emotions, build resilience, and navigate life's challenges in a safe, supportive environment. At Grace.4.Families Therapeutic Services, they offer evidence-based interventions to support children facing emotional, social, and developmental difficulties. Learn more about how play therapy can foster self-regulation, confidence, and emotional well-being by clicking the link below:

Climate Fresk

We are excited to announce a new partnership between Invictus International School and Climate Fresk, an organisation dedicated to accelerating global understanding of global climate issues to prompt necessary changes for the preservation of life.

Enhance Climate Literacy:

Equip students with a clear and thorough understanding of climate change and its global impact.

Foster Critical Thinking:

Encourage students to analyse and discuss complex environmental issues collaboratively.

Inspire Action:

Empower students to take meaningful steps towards sustainability within their communities and beyond.

Science-Based & Engaging

Uses IPCC reports to break down climate science in an interactive, collaborative format.

Play Beyond – Empowering Play, Sustaining Tomorrow

We are proud to announce a partnership with Play Beyond, providing a platform for children and families to contribute to a sustainable future with an option to donate or sell toys they have outgrown.

In January, Play Beyond will join us in our school to share more details with the children regarding their purpose in setting up Play Beyond and we will have a toy collection drive in our school.

For now, please visit their website as there is an option to donate used toys to Red Cross or sell them as well. On their website, there is a list of toys for sale, which might catch your child's eyes. What a better way to declutter outgrown toys especially with Christmas round the corner. Road Safety

The school is situated on a quiet one-way road, but it's important that children are aware of our expectations regarding safe departure and arrival. To this end, pupils will receive their annual reminder regarding road safety next week from their tutors. The school has previously contacted the local authority regarding traffic calming options, but has been unsuccessful. We encourage parents to appeal should they wish to see signage or similar installed.

Parents are similarly encouraged to ensure pupils cross safely from the dismissal ramp, and walk only along the pavements. Younger children seeing safe use of roads is important for building their independence.

Dear Parents/Guardians,

We hope you and your child have been enjoying your time at Invictus Bukit Timah! Your feedback is invaluable to us and helps other families make the right choice for their child's education.

If you have had a positive experience with us, we would love to hear about it! Please take a moment to leave a Google review and share what you love about our school. Your kind words can make a big difference!
