Academic Year 24/25
Term 3
14th March 2025

Singapore

Bukit Timah

Message from the Principal

Dear Parents/Guardians,

It is the end of another busy week, and we now only have one week remaining until the end of Term 3. This week's parent teacher consultations provided us with invaluable opportunities to share a great deal of information and the feedback I received was that these meetings were very productive. Similarly, the feedback I have received regarding the Year 6 and Year 9 checkpoint testing, is that our students were well prepared, and we look forward to the results in the coming weeks.

This week we engaged with 'STEAM Week' which consisted of a range of activities that caught the imagination of our students, which included a Key Stage 1 visit to the zoo, scientific experiments, shadow puppetry, flood proof engineering and graffiti. Please see slides 20-36 of this newsletter for more details. Today we saw Years 4 to 9 out on excursions as students engaged with Pi Day and the Banksy Art Exhibition, both of which were successful and very enjoyable trips, which were well worth the time and effort our students devoted to the trips.

Dates to note in the coming weeks:

- Examinations for Year 6 between the 15th and 17th of April and for Year 9 on the 21st, 23rd and 25th of April
- Opportunity for our Year 4 - Year 9 to see the musical 'Wicked' on Saturday 26 April.

Wishing you all a very happy, well-deserved and restful weekend.

Craig

Craig Cooper

Annual Parent Satisfaction Survey

Dear Parents/Guardians,

We are pleased to invite you to participate in our Annual Parent Satisfaction Survey. This survey provides you with an opportunity to share your thoughts on various aspects of our school, including academic programs, teaching quality and overall student experience.

The survey will be open from the 17th of March and closes on the 21st of March.

Please scan the QR code or the link below to complete the survey.

Academics

Enrichment/YCT

No Enrichment in Week 10 and 11

During the week of Parent Teacher Conferences (week 10), please take note that there will be no enrichment/YCT classes.

Also, on the final week of school (week 11), there will be no enrichment/YCT classes. Please make the necessary arrangement for your child to be picked up at 3pm.

Academics

Term 3 Curriculum Letters

Curriculum Letters outlining next term's subject content are available [here](#) for your perusal.

Subject Content

You may access the weekly subject content [here](#) to see what your child has learned this week and will be learning next week.

Keeping In Touch with Your Child's Learning

The school strives to keep parents informed about their child's learning whilst balancing our teacher's priorities. A reminder that tutors and subject-teachers are always available, and aim to respond to parent emails within 48-hours, however the following are two ways you can immediately keep up-to-date with your child's learning.

Core Values

Invictus Values

C

Commitment

In taking ownership of our responsibilities and duties

A

Aspiration

In achieving our best

R

Resilience

In persevering through our challenges and setbacks

E

Empathy

In understanding, respecting, and showing concern for others

Pastoral

Friends of Invictus

As we approach the end of term 3, let's go out with a bang! Come join us for a morning hike and tea. Please register to join us by scanning the QR code below.

Date: 21st March, Friday

Time: 8:15am

Meeting point: Reception area in school

Location for our hike: Bukit Timah Nature Reserve (we don't have to go all the way up)

Morning tea: 9:15am - 10:15am in school

Pastoral

Esport Challenge

Our Student Council members have created an Esport Challenge which will take place from the 17th of March, Monday, till the 19th of March, Wednesday.

All students in Year 6 till Year 9 are invited to join us in this challenge. Below are the prizes for 1st place, 2nd place and third place.

Good luck to all participants!

Student-Parent Handbook

Dear Parents,

The Student-Parent Handbook is an invaluable resource, providing essential details on school policies, core values, student expectations, communication procedures, and much more.

By staying informed, we can all work together to create the best possible learning environment for your child! Download the handbook today using the link below and be prepared for a great academic year ahead!

Download the Student-Parent Handbook [HERE](#)

Invictus Uniform Sale

Invictus International School has discounted its remaining uniform stock by **50%**. The Friends of Invictus Bukit Timah have agreed to distribute pre-ordered uniform between 15:30 and 16:30, Monday to Friday at our Bukit Timah campus. If you wish to purchase items, please reach out to Ms Hidayah on
Tel: 69718210.

Discounted uniform prices are as follows:

Polo Shirt: Usual price: \$24, Now: \$12
Shorts/Skorts: Usual price: \$23, Now: \$11.50
PE Top: Usual price: \$23, Now: \$11.50
PE Shorts: Usual price: \$23, Now: \$11.50
Hoodie: Usual price: \$50, Now: \$25

Please note: Purchases can only be made in cash.

Uniform Reminders

Uniform – All students should be wearing their Invictus uniform

Black shoes (Not Vans/Trainers etc)

Grey Invictus Skort/shorts

Blue Invictus Polo

White socks

PE days & Fridays – House colour t-shirt, Invictus PE shorts and trainers are allowed.

Every day– Invictus cap or bucket style hat for outdoor play.

Please note that as per school tradition, students are invited to wear their house shirts on a Friday regardless of curriculum activity as we are encouraging Fridays as a day for house competitions in the near future.

School Uniform

PE Uniform

Please note a slight change to our uniform rules: Full PE uniform can now be worn on Fridays and not just the House top with school uniform as in the past.

We are aware that some students prefer a cotton based shirt.

Please note that Lim's are in agreeance to accomodating this by manufacturing a cotton version in the same style .

They require a minimum order of 5 but can make for example
3 in one size and 2 in a larger size.

Please process directly with Lim's;

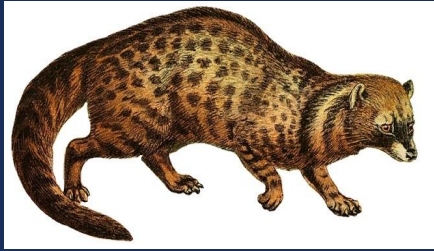

Lim's Uniform

Address: 211 Holland Avenue, Holland Rd, #02-18 Shopping Centre, 278967

Opening Hours: Mon - Sat 10.30am to 7.15pm

Sun 10.30am to 6.15pm

STEAM week 2025!

What a week it has been! We have seen so many activities across so many subjects - all with the aim of encouraging enthusiasm and participation in Science, Technology, Engineering, Arts and Maths! The theme this year is Change & Adapt and all week students have been noticing how much change and adaptation is in our everyday lives and studies at school. Over the next few pages we will share some of the things we have explored this week!

STEAM week 2025!

Key Stage 1 have been extremely busy this STEAM week! Growing plants and observing how they change as they grow, making changes to wire for art, thinking about their teeth and how to keep them clean, measuring change in their maths lessons using different shaped containers to estimate and measure volume and next week they will visit the zoo and will think about animal adaptations too! It's hard to keep track of you guys this week!

STEAM week 2025!

Manipulating wire to create angles, bends and curves for their art.

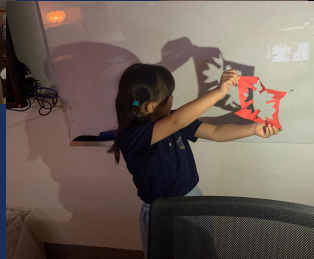

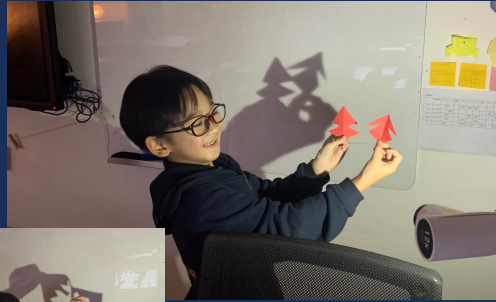

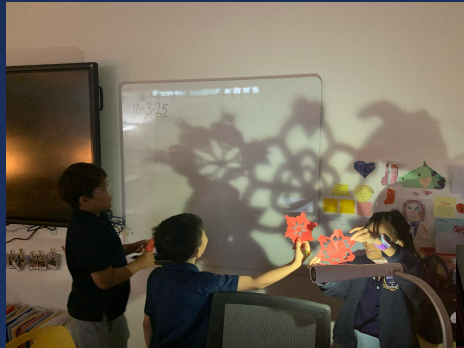

STEAM week 2025!

Experimenting with how bad fizzy drinks can be for teeth and seeing how difficult it can be to clean them well!

STEAM week 2025!

Key stage 2 have done some acting as part of their STEAM WEEK in the science lab! They are acting in the different ways that marine animals act due to their adaptations and doing some yoga! This is turtle pose! Some students played a light and shadow game in Chinese and discovered ways to manage an epidemic using the game Pandemic!

STEAM week 2025!

Students in year 4 are learning the topic 'my school' in their Chinese lessons. This week they made a school model using lollipop sticks. It looks fantastic and they are discovering engineering concepts too!

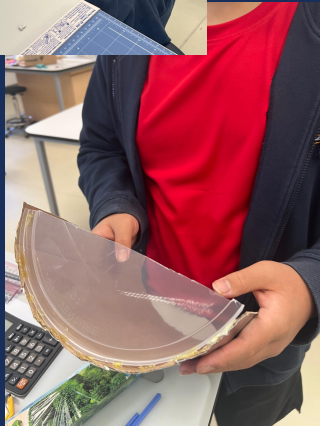

STEAM week 2025!

Key stage 2 have also done some crystallisation experiments with baking soda and salt to try and extract crystals from saturated solutions that they made themselves! They change and adapted the conditions they were growing them in! Ask your child what they did in this task!

STEAM week 2025!

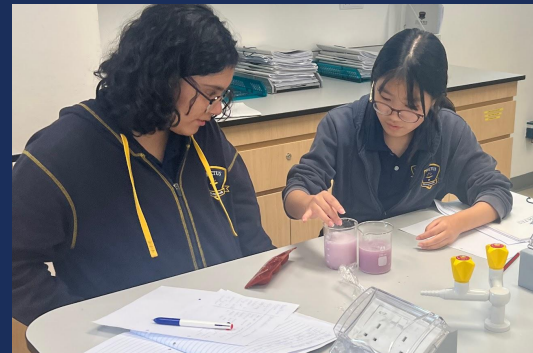

Key stage 3 students have participated in a variety of different tasks this week connected to their curriculum and also to the theme 'Change & Adapt'. Year 8 have looked at flooding and droughts using the European Space Agency satellite data! They also researched, designed and built model flood proof houses! We will be testing them with hosepipes next week to see how flood proof they really are!

STEAM week 2025!

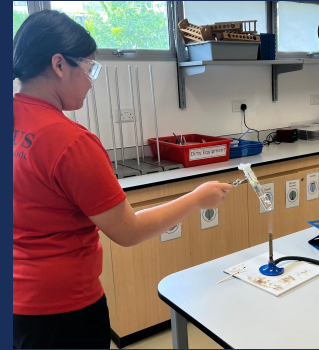

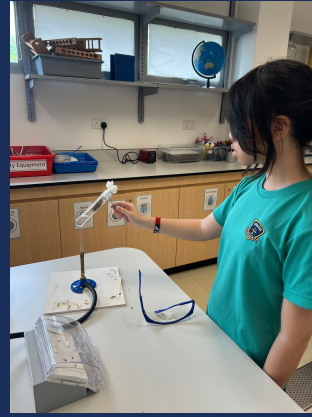

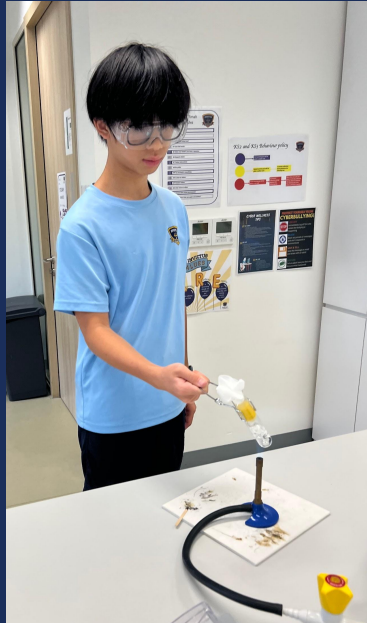

Year 7 learned how to adapt and change a basic recipe for bath bombs to make colourful, scented and fizzy bath bombs in class. Then we tested the different bombs in beakers of water and experimented with different water temperatures to see if that changed the rate of the bath bomb reactions!

STEAM week 2025!

Year 9 experimented with a simplified steam distillation technique to try and collect the essential oils (or at least hydrosols) and scents from fruits and spices. This was some excellent chemistry work and the students enjoyed combining different sources to make delicious smells!

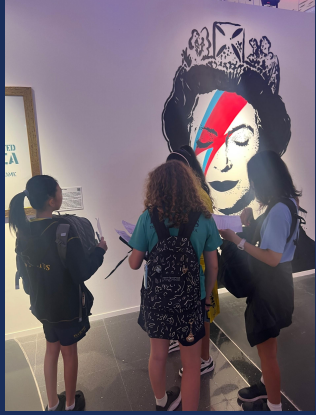

STEAM week 2025!

Today students from Key Stage 3 visited The Art of Banksy exhibition in Orchard. They enjoyed interacting with the exhibits and immersing themselves in the artworks. Students then drew their favourite piece. In preparation for the trip students have been working on their own graffiti tags and made some pop up art of their own whilst off campus!

STEAM week 2025!

The KS3 trip
to see The Art
of Banksy!

STEAM week 2025!

On 13th March 2025, our KS3 students visited the Centrium Campus to celebrate International Maths Day (Pi Day) with a series of station games. The event featured various maths game stations set up on levels 7 and 8 of the Centrium Campus. The students thoroughly enjoyed exploring and engaging with the different activities at each station.

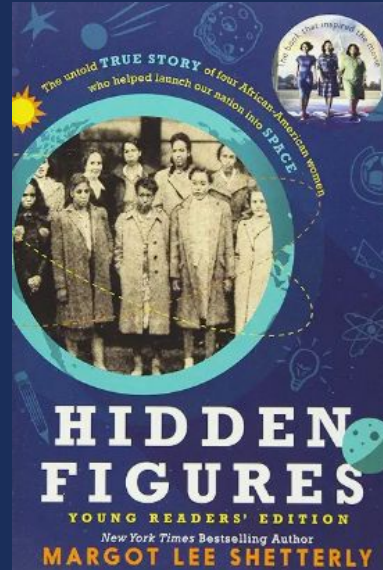

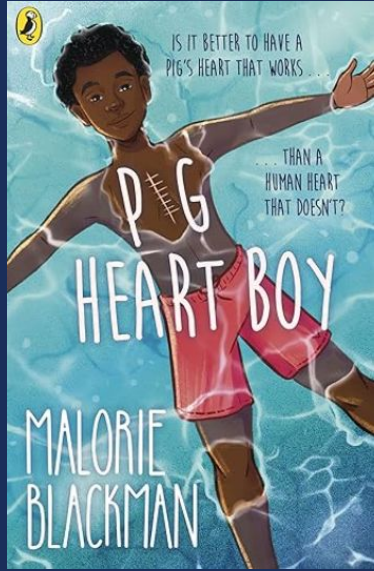

STEAM week 2025!

STEAM week 2025!

STEAM week 2025!

Students across the school have been thinking about change and adaptation in other lessons too! For example, in English they have been analysing and interpreting STEAM themed extracts.

'Pig Heart Boy' is the story of a boy battling heart disease. 'Tin' a fictional book about an engineer who makes mechanical children!

Non-fiction included 'Rainforest Rescue' and article about educating people to help preserve endangered wildlife and 'Hidden Figures' the true story of 4 women who were key to the success of America during the space race of the 1960s!

STEAM week 2025!

Thank you to all the families who have already tried some activities and baked for our STEAM week Bake Off competition! We love to see what you make at home! Keep sending them in!

A HUGE congratulations to our students in years 6 and 9 who this week sat their Cambridge Checkpoint mock assessments in English, Math and Science!

Join in the bake off and poster competitions at home to win House Points!

Send your entries to Dr King at:
Dee.king@invictus.edu.sg

IT's not too late to join in STEAM WEEK at IBT!

Check your Friday parent email from 7th March for a pack containing information about home competitions and other activities to enjoy with your child!

Physical Education

Swimming Lessons (Year 1,2,3,7,8 & 9)

Swimming lessons will commence on the 3rd of February, following the Chinese New Year break, and will run until the 21st of March, spanning 7 weeks. Currently, the students are participating in offsite PE lessons for approximately 3 to 3.5 weeks while we wait for swimming lessons to commence.

Offsite PE Lessons (Year 4,5 & 6)

Students in Years 4, 5, and 6 will not be participating in swimming lessons this term. Instead, they will continue to with their PE lessons offsite at the field.

Additional Notes

With the weather heating up, keeping our students hydrated during PE lessons is a top priority. Water bottles would be mandatory for all PE lessons. For those with regular field activities, a thermal water bottle is highly recommended to ensure they stay cool and refreshed throughout their sessions.

Music

Instrumental Music Programme (IMP)

Did you know that our students can learn a musical instrument right here on campus on our in-house Instrumental Music Programme (IMP for short!). Our partnering music education company, McKee Music Pte Ltd, offers weekly lessons on piano, singing, guitar/ukulele, violin, drums, and more. Their teaching team are some of the finest musicians & educators in Singapore, so we encourage you to take advantage of this fantastic opportunity to learn from the best!

One-to-one instrumental music lessons are 30 minutes per week and fees are \$55 per lesson, billed termly. If you have any questions you can also email our IMP coordinator, Duncan McKee, directly at duncan@mckeemusic.com.sg and he will be happy to help answer any of your questions.

Grace.4.Families Therapeutic Services

Play therapy is a powerful tool that helps children express emotions, build resilience, and navigate life's challenges in a safe, supportive environment. At Grace.4.Families Therapeutic Services, they offer evidence-based interventions to support children facing emotional, social, and developmental difficulties. Learn more about how play therapy can foster self-regulation, confidence, and emotional well-being by clicking the link below:

Climate Fresk

We are excited to announce a new partnership between Invictus International School and Climate Fresk, an organisation dedicated to accelerating global understanding of global climate issues to prompt necessary changes for the preservation of life.

Enhance Climate Literacy:

Equip students with a clear and thorough understanding of climate change and its global impact.

Foster Critical Thinking:

Encourage students to analyse and discuss complex environmental issues collaboratively.

Inspire Action:

Empower students to take meaningful steps towards sustainability within their communities and beyond.

Science-Based & Engaging

Uses IPCC reports to break down climate science in an interactive, collaborative format.

Play Beyond – Empowering Play, Sustaining Tomorrow

We are proud to announce a partnership with Play Beyond, providing a platform for children and families to contribute to a sustainable future with an option to donate or sell toys they have outgrown.

In January, Play Beyond will join us in our school to share more details with the children regarding their purpose in setting up Play Beyond and we will have a toy collection drive in our school.

For now, please visit their website as there is an option to donate used toys to Red Cross or sell them as well. On their website, there is a list of toys for sale, which might catch your child's eyes. What a better way to declutter outgrown toys especially with Christmas round the corner. Website: <https://www.playbeyond.co/>

Sustainable Play,
Circular Savings

Hassle-free Decluttering,
Positive Impact

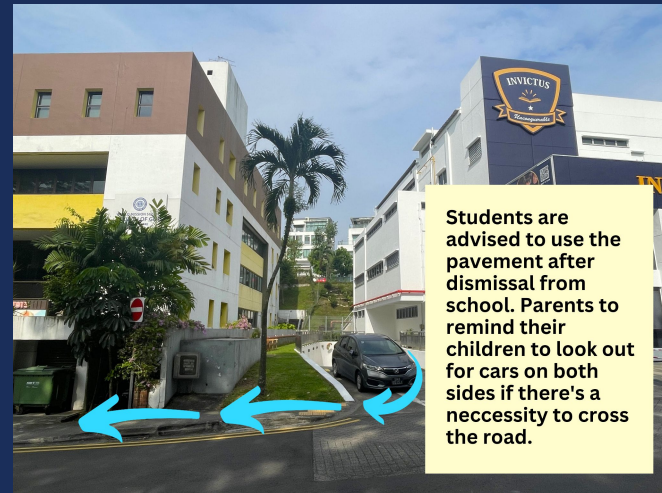

Great Deals,
Quality Assured

Road Safety

The school is situated on a quiet one-way road, but it's important that children are aware of our expectations regarding safe departure and arrival. To this end, pupils will receive their annual reminder regarding road safety next week from their tutors. The school has previously contacted the local authority regarding traffic calming options, but has been unsuccessful. We encourage parents to appeal should they wish to see signage or similar installed.

Parents are similarly encouraged to ensure pupils cross safely from the dismissal ramp, and walk only along the pavements. Younger children seeing safe use of roads is important for building their independence.

Dear Parents/Guardians,

We hope you and your child have been enjoying your time at Invictus Bukit Timah! Your feedback is invaluable to us and helps other families make the right choice for their child's education.

If you have had a positive experience with us, we would love to hear about it! Please take a moment to leave a Google review and share what you love about our school. Your kind words can make a big difference!
